

WONDER SHORE

HIKING TRAILS

Embrace the boundless beauty of our rugged coast, featuring one of the few places on earth where you can spot an iceberg from a white sandy beach. Experience the sheer wonder of being immersed in an unspoiled environment, with nothing but clean salt air and the chatter of sea-birds to guide you. Grab a backpack and some good friends, and hit the trails today.

Wonder Shore is a collection of 4 Hiking Trails along the Bonavista Coast from Lumsden to New-Wes-Valley and Greenspond. When you find yourself caught up in the race, going for a hike is a chance to reflect, recharge and reconnect with nature. The beautiful simplicity of the coastline is all you will need. Everything is up close and real. No filters, just nature.

EXIT POINTS

Greenspond hiking trail is a moderate 6.0 km loop trail, located in the historic town of Greenspond. Greenspond was once an island but is now connected by a causeway. This trail has breathtaking scenery and many historic buildings such as the courthouse, church, graveyards, and post office.

This hiking trail provides an opportunity to see whales, sea birds, lighthouses, icebergs, and fishing boats. Enjoy your hike and come back again.
