

WONDER SHORE

HIKING TRAILS

Embrace the boundless beauty of our rugged coast, featuring one of the few places on earth where you can spot an iceberg from a white sandy beach. Experience the sheer wonder of being immersed in an unspoiled environment, with nothing but clean salt air and the chatter of sea-birds to guide you. Grab a backpack and some good friends, and hit the trails today.

Wonder Shore is a collection of 4 Hiking Trails along the Bonavista Coast from Lumsden to New-Wes-Valley and Greenspond. When you find yourself caught up in the race, going for a hike is a chance to reflect, recharge and reconnect with nature. The beautiful simplicity of the coastline is all you will need. Everything is up close and real. No filters, just nature.
